

Fearless Watercolors Class Supplies

Susan Hanna Rau

Paint: I strongly suggest a name brand paint. DaVinci, Winsor & Newton, Holbein are three name brands. You only need 4 colors to start with. Don't buy paints in sets-they have colors you do not need and they are not as high quality. Tubes of paints can be either 15 or 37 ml.

Cadmium Yellow Light

:

Ultramarine Blue

Permanent Rose

Burnt Sienna

Advanced class add new colors: add a new red, yellow, and blue that you like, and also Burnt Umber

Paper: Again, buy name brand. Uno Fabriano Artistico, Archers, Strathmore are three name brands. Single sheets or pads. Better paper and better paints are worth it.

140 pound cold press

Brushes: Again, name brands pay off. Some name brands are Loew-Cornell, Royal Langnickel, or Silver Brush.
