Please be advised suitable clothing and footwear is required. A shoe or a boot with a small, flat heel is ideal i.e. Wellingtons. **Trainers are not safe footwear.** All riding hats worn must be PAS015 standard. Riding hat hire is included for all activities if required. Sun protection/wet weather clothing is advised as required. Emergency contact details must be confirmed before each activity.

Bookings for any activity require **full payment** in advance. All activities will be charged at the full price should less than **48 hours notice of cancellation** be given. Activities affected by Covid or extreme weather conditions will be honoured. It is recommended to arrive approximately ten minutes before the start of an activity.

There are limited spaces on all activities although further dates may be added should they become fully booked. Pony Club members will receive a £5 discount on any holiday activity booked (excluding riding in the open).

Policy Update: All members of Baylands 'Leaders Club' are required to join or renew their Pony Club membership. Not only will you be able to join the team but you will be entitled to the range of benefits the Pony Club has to offer.

We will aim to continue unmounted Pony Club rallies during term time – please enquire nearer the time for details. Should you wish to purchase Pony Club uniform please call your order through or ask for a uniform request form. An order will be being made on 30th July to hopefully arrive in time for competitions.
