

Enchanted Mountain Roller Derby League

PARTNER WITH THE ONLY ROLLER DERBY TEAM IN THE SOUTHERN TIER OF WNY

Now is your chance to get in on the action and expose your company's products/services to our diverse and growing audience. They're talking about us...and soon they'll be talking about you!

Thank you for your potential interest in being an Enchanted Mountain Roller Derby (EMRD) sponsor for the 2023 season. Women's flat track roller derby remains the fastest growing sport in the nation - it is making a huge resurgence throughout the country, thanks to tremendous media attention and a committed (and quite vocal) fan base!

EMRD was founded in 2010 by a group of local women (who are also skaters) to provide women with an environment that enhances personal growth and development through sport. As we dive into the beginning of our second Decade of Derby, Our mission is to make a positive difference in the lives of women and the Community. We believe in the value of the individual, the strength of the team, and the power of the female spirit. EMRD is entirely self-supported, drawing from the talents of our members from skater training and administration to event production, marketing, fundraising, media relations, and every aspect needed for the growth of our league and our sport. Roller derby has evolved into a true sport with rules and regulations, it involves athleticism and dedication!

EMRD is approaching our 12th season (one we paused during Covid to abide by WFTDA guidelines) of competitive play and the publicly known Hellbilly Heartbreakers have drawn in a tremendous fan base, in which our home opener received over 800 people in attendance. There is no doubt that the Hellbillies' will bring excitement to the Southern Tier once again for their 2023 season. Their home bouts will be held at the William O. Smith Recreation Center in Olean, NY beginning in May of 2023. As publicity and enthusiasm about our sport continue to increase internationally and locally, we anticipate an even more tremendous growth in fan base.

Your donation will benefit the team so that we are able to hold bouts, obtain uniforms and help create more fundraising opportunities to secure donations for local charities. Your donations and contributions to the league will help to further our mission. And it won't stop there. It not only helps support our league, it helps support our community. Your sponsorship will help the EMRD strengthen our vision as an athletic organization of women and volunteers fostered to be strong (physically, socially, and mentally) while actively engaged in their community. As a local business that supports us, we pledge to support you right back through encouraged patronage within and beyond our organization!

Don't miss the opportunity to partner with women's flat track roller derby while the sport is young and growing!
