

someday is today™

With your child's help, there will be kids who have been touched by a blood cancer saying, "I'm not just surviving, I'm living." Your child has the power to make that happen!

On **Tuesday, April 20**, the students at Angelo L. Tomaso School will be taking part in The Leukemia & Lymphoma Society's (LLS) **Pennies for Patients**. During the program, students collect money to support LLS's mission: to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and to improve the quality of life of patients and their families. ***Children can bring in coins, cash, or checks to their homerooms. Donations can also be made at your car during arrival and pick-up.***

You can also donate by cash or **check**, made payable to **The Leukemia & Lymphoma Society, or LLS.**

On April 20, we are encouraging everyone to tap into their superpowers. Students are encouraged to wear the color that matches their superpower.

Red = Patience

Pink = Kindness

Blue = Strength

Purple = Resilience

Green = Teamwork

Orange = Respect

Yellow = Bravery

White = Empathy

Black = Persistence

Your child will learn about service, leadership and philanthropy and how they can change patients' lives. Thank you and your child in advance for helping LLS create a world without blood cancers.
