Today we are off for a fun-filled day in Boston that is good for all ages. Upon arrival we will attend an **IMAX film** showing at the New England Aquarium (film only). IMAX films always take your breath away as the large screens make you feel like you are in the film. Afterwards, we'll have for **lunch** at **MJ O'Connor's** at the Park Plaza. You'll enjoy a *choice of Steak Tips, Baked Haddock, Herb Roasted Salmon, Wild Mushroom Ravioli or Buffalo Chicken Mac & Cheese*. Following lunch, we'll travel the short distance to the Prudential Center where we will board a **Boston Duck Tour**. This unique way to enjoy a tour of the city travels by both land and water.
