Dear Friends of the Foodbank,

“I was reluctant to come to this food pantry. I am so used to doing things on my own, but money is tight. It didn’t feel right to be asking for help. But it is a huge blessing. They have good, nutritious food, and they make me feel welcome here. It’s such a relief to know I will have something to eat.” -Phillip, a Peninsula senior citizen.

Kindness. That’s is the word that comes to mind when I think of you. You embrace this community, and your compassionate spirit provides comfort in the form of nutritious meals to our neighbors in need struggling with food insecurity.

Many across our greater Peninsula community choose between food and other fundamental priorities, such as housing, medicine, utilities, and transportation. With your help, we are working together so that no family, senior, or veteran must choose to skip meals or sacrifice nutrition in order to meet other essential needs. Thank you for your generous gift of **192 pounds** of non-perishable food items. Your contribution ensures that everyone is given the opportunity to live a healthy lifestyle and thrive.

We appreciate that you are an important part of the solution to alleviating food insecurity. Because you care, we can replace the anxiety that hunger brings with the hope that comes from being properly nourished. Your support makes our work possible and is immensely needed. *Happy Holidays!*

Gratefully Yours,
