Foaled 03 April

Bred by Knut O. Arnesen & Black Moon Breeding

This fine colt is out of the well bred **Acclamation** daughter **MASTOORA**, a mare from the family of **Prix de l'Arc de Triomphe (G1) winner RAINBOW QUEST** – champion broodmare sire two years running in his heyday.

**This colt** is a half brother to winners in England and his dam is a half sister to the incredible win machine **ILLUSTRIOUS PRINCE**, a **winner of 10 races** and **placed 29** times in England.

## 2020 b c Adaaay – Mastoora / Acclamation

**Mastoora's fine son has all the right credentials** to become both precocious and smart - he certainly *looks* like a runner!

His half brother Knoxville Blues **won 6 races** in England and Italy, and he comes from the family of **Group 1 performer Armory**.

This colt's pedigree spells speed though his distaff side is also strengthened by some classy performers making their mark in black type events at up to 1 ½ miles in top racing nations like France, Ireland, Germany and the USA.
