

Released in the last weekend in September to Remember the month that Joan and Barry were married. A small way to say thank-you for ALL of the support they have given us over the years. None of it has gone unnoticed. Hopefully the new life that the homestead now has helps to continue the fond memories that have been created here over the years. This semi-dry rosé is well-balanced and produced from the Minnesota hybrid St Croix grape.

“Do you remember the 21st night of September?
Love was changing the minds of pretenders
While chasing the clouds away”
