

Book Report

Due: Friday, March 14th

(If you finish earlier you may bring it into class)

You can choose a book of your choice however **it must be at a second grade level or higher** and display a problem that needs to be solved. You'll be designing a hanging mobile. The mobile can be out of any materials you choose. For example, if you're writing about an Indian book, you may want feathers or a toy bow and arrow to hang from your mobile. If your book was about camping you might want to make a fire out of paper materials or find some small sticks from outside. The materials you can use are endless so be creative.

The mobile must include and be **labeled: (25pts.)**

- 3. Setting**
- 4. Problem**
- 5. Solution**

* You'll be graded on neatness and creativity. **(5pts.)**

* **Total project is worth 30 pts.**

Make sure your mobile is colorful and creative.
Please ask your teacher for materials if needed.
