What to Expect

WHAT HAPPENS NOW?

We've got you! We will work with you to create the first impression of your wedding. If at any time you have any questions, please ask! We are here to help you during all the phases of creating your invitations.

1 CHOOSING I DO!

Once you know you are going to move forward with I Do! and before we work on the wording and design, we will ask for a 50% deposit. The final payment is due when you pick up your invitations.

2 BEFORE ORDERING

We will draft the wording, fonts and design on each part of your invitation suite for your review. We will go back and forth via email during this phase. The length of this process can vary. If you know what wording you want, please send it to us.

3 PLACING ORDER

Once we order, within about 3 days, we will get digital proofs. During this stage we can still tweak your order.

You will get 3 digital proofs included in the price, after that there is a \$10 charge per round of proofs. Paper proofs are additional.

4 FINAL APPROVAL

When the last digital proof is emailed to you, your final approval is required before the order is submitted to be printed. After the final proof is approved, we cannot make any changes and I Do! will not be responsible for any errors.

Communication

APPOINTMENT HOURS

Monday - Friday | 8am - 6pm (in person or Zoom)

Saturdays | 8am - 5pm (in person only)

Sundays | 8am - 1pm (in person only)

You can schedule your own appointment at i-do-invitations.square.site. If a time you need is not available, please email valerie@idoinvites.net and we will try to schedule a time that is convenient to you.

RESPONSE TIME

We try to respond to all calls and emails within 24-48 business hours, however please be patient if reaching out during the weekend as it may take a little longer to respond. Please note that our days are constantly changing with appointments and weddings. If you call and reach our voicemail, please follow up with an email so we can store all questions in your file.

If we are working on drafting your invitations, the response time might take longer.

PREFERRED CONTACT METHOD

Email is the best way to reach us and receive a quick response. Although we love you and consider you part of the family, we do ask you avoid texting questions or important wedding information. As much as technology has enhanced over the years, we have not found an effective way of filing text messages. We want to make sure we answer all your questions in a timely manner.

YES! If you are not local then we just request payment in full be due before we place the order and then the order will be shipped directly to you.

3

Will you show me how to assemble an invitation?

*Invitations arrive unassembled. You can add assembly to a service of I Do! and we will add that to your invoice.
If it is not on your invoice you will need to assemble your invitations yourself which we will show you how to do when you pick up your invitations. And we have YouTube videos for you to watch too.*
