

THE MINISTRY

‘Paul entered the synagogue and spoke boldly there for three months, arguing persuasively about the kingdom of God. But some of them became obstinate; they refused to believe and publicly maligned the Way. So Paul left them. He took the disciples with him and had discussions daily in the lecture hall of Tyrannus. This went on for two years, so that all the Jews and Greeks who lived in the province of Asia heard the word of the Lord’ (Acts 19:8-10).

In the midst of being persecuted for preaching the gospel, the apostle Paul started what I consider to be one of the first Bible Colleges. He gave daily discussions and lectures on the great truths of the Christian faith. The result was that a large area was impacted by the Word of God.

‘And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others’ (2 Timothy 2:2).

Paul’s advice to Timothy was that he had to find people who were willing to be taught, so that Timothy could then impart to them the great principles that he himself had received. Jesus Christ speaks to us as we learn His truths and pass them on to other people. Are you a reliable person who can become qualified to teach others?

‘Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth’ (2 Timothy 2:15).

You must be able to correctly handle the word of truth, for the Bible is likened to being a sword. Take the helmet of salvation and the sword of the Spirit, which is the word of God (Ephesians 6:17).

‘Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age’ (Matthew 28:19-20).

You may have received Jesus as your Lord and Saviour, but have you really become one of His disciples so that Jesus is the Master and you are His student?

Are you growing in your understanding by continuing to study the greater truths and revelations of Christ? Do you have a greater desire to be closer to God? If you do then the Love Jesus Institute of Biblical Studies is for you.

WHY?

The Bible is a book of incredible depth and insight. It therefore has to be studied and applied well to our lives. The Bible is like a treasure chest that is filled with all

kinds of hidden treasures. It must be opened to see what is inside.

We are here to disciple and equip believers in the Word of God under the anointing of the Holy Spirit and the presence of God.

WHO?

This training centre is for anyone who wants to study the Bible deeply. It is for those who are serious about being close to the Lord and fulfilling the wonderful calling that Christ has placed upon your life.

WHEN?
