Missionary of the Week: Andy and Melanie Jeske and family

Thank you for all your prayers and support during this time that we have been back in Canada. As we have been praying for direction and God's leading during this time, He has been answering our prayers and yours. We are excited to share with you some very exciting news and thought we would give you as to where God is leading so that you can keep us in your prayers during this time. We are planning on heading to Montreal this fall to work with the North African Diaspora within this city. Please pray that this would become a reality for us. We will need to raise more support for this unreached field as well as sell our current house and find a new one there in Montreal. This is an exciting opportunity for us to minister to unreached peoples from closed countries in an unreached area within our own country.

Once again thank- you so much for your continued prayers and support.
Andy and Melanie Jeske
