1. Identify the question(s) or inquiry that guided your sustained investigation. (Max. 600 characters and spaces)

For this part you are literally writing a question or a few questions and how that guided you to choose your theme.

State your theme.

2. Describe how your sustained investigation shows evidence of practice, experimentation, and revision guided by your question(s) or inquiry. (Max. 600 characters or spaces)

My sustained Investigation shows evidence of practice by showing/creating/emphasizing...

I have experimented by doing/making/showing..

Revisions were made by....

You may still refer to specific pieces when answering these questions to show them where you specifically used practice, experimentation and revision.
