UNIT VI (1865-1898) Ch. 19 Student Outline – THE POLITICS OF THE GILDED AGE

Summarize, do not quote exact wording:

Section 1 Background and Introduction, page 380

Read page 380 and additional information below. Highlight major cues, and answer the question that follows.

The Gilded Age, which spanned the final three decades of the nineteenth century, was one of the most dynamic, contentious, and volatile periods in American history. America's industrial economy exploded, generating unprecedented opportunities for individuals to build great fortunes but also leaving many farmers and workers struggling merely for survival. Overall national wealth increased more than fivefold, a staggering increase, but one that was accompanied by what many saw as an equally staggering disparity between the rich and the poor. Industrial giants like Andrew Carnegie and John D. Rockefeller revolutionized business and ushered in the modern corporate economy, but also, ironically, sometimes destroyed free-market economic competition in the process. Record numbers of citizens voted in national elections, but the politicians they voted for were often lackluster figures who turned a blind eye to the public interest. It was, as Dickens might have said, the best of times and the worst of times. But even that Dickensian understanding of the Gilded Age isn't quite right. It's not enough to say that the Gilded Age was a time of high highs and low lows; the highs and lows were actually often deeply intertwined parts of the exact same developments. In other words, the highs often were the lows, and vice versa. In the Gilded Age, every dark cloud had its silver lining... and every silver lining had its dark cloud. For more than a hundred years, critics have been ripping the business strategies that allowed big industrialists to build powerful monopolies—but those much-maligned monopolies brought desperately needed order to America's immature economic system. Many have also long resented the immense fortunes of personal wealth that a handful of big businessmen were able to acquire—but that wealth paid for a huge surge in philanthropy, building hundreds of libraries, schools, museums, and other public facilities still enjoyed by the American people even today. Reformers decried the way urban politicians turned corruption into a way of life—but those same crooked politicians also provided vital services to working-class and immigrant neighborhoods. The Gilded Age was a dynamic age of incredible economic opportunity, just as it was a harsh era of incredible economic exploitation. Any version of this tale that includes only the exploitation but not the dynamism—or vice versa—is missing half the story. (Smoop.com)

How	v did the Gilded Age differ from the era of Reconstruction?
Why	y did Mark Twain call this era "gilded?"
1.	Explain how the terms "laissez-faire" and "Social Darwinism" both supported "do-little" government -
2.	Explain why there was a higher voter turnout despite the two major parties alienating themselves from important issues –
2	Describe the difference but and the contribution of the Describitions of Describition
3.	Describe the difference between the party base of the Republicans and Democrats –
4.	Explain how patronage became the driving force behind political control in this era (*Use the stalwarts halfbreeds , and mugwumps in your response) –

NAME:	DA	ATE:	PERIOD:
5.	Describe the "highlights" or major events during each of the following pre a. Hayes:	esidencies –	
	b. Garfield:		
	c. Arthur:		
6.	Describe the impact of James G. Blaine on the Republican Party –		
7.	Describe the circumstances behind the election of 1884 –		
8.	Describe what being hired based on civil service means and how the Penc	lleton Act fa	cilitated that –
9.	Explain why debtors, farmers and start-up business owners desired "easy	" or "soft mo	ney" –
10.	Explain why bankers, creditors, investors and established business leader "hard" money (this is like <i>specie circular</i>) –	s stood firm	for "sound" or
11.	.Describe the " Crime of 1873 " and how it is connected to the greenback m	ovement –	
12.	.Describe the circumstances behind the election of 1888 –		
13.	Explain why the Congress elected in 1888 was called the Billion-dollar C	ongress –	
	ember that whole chapter about the west and how farmers were angry and orm their own political party THE POPULISTS ! And for some reason Colleg		

pay very close attention!

14.Describe the Omaha Platform –

NAME:	DATE:	PERIOD:
15. Explain why the party's platform seemed revo	lutionary for the time –	
16. Describe the circumstances behind the panic	of 1893 –	
*William Jennings Bryan is the new Henry Clay – so: 17. Describe the impact of Bryan's "Cross of Gold		nvention –
18. Describe the impact this had on the Populist p	arty candidate in the election of 1896:	
19. Describe the differences between Bryan's cam 1896 –	paigning and McKinley's campaigning in	n the election of
20. Explain how Mckinley (*cough Hanna cough*)) beat Bryan –	
21. Explain the significance of the election of 189	96 both short and long term –	
6. Historical Perspectives: Who Were The Populists?	Page 391	
To what extent was the Populist movement a practical, liberal response to the political and economic problems of the Gilded Age?	To what extent was the Populist movement a roma response to the changes in American culture and e Gilded Age?	
Evidence for Populists as Realistic:	Evidence for Populists as Idealistic:
