Author: Michael Meyer  
ISBN: 9781319002183

Find Your Rep. Read and study old-school with our bound texts. Home Features New to This Edition. Literature that reflects the classic canon — and the new. This well-balanced selection of stories, poems, and plays offers the classics you expect to see along with many newer works. Praised by instructors and enjoyed by students, this collection is essential and vibrant. Many options for teaching include chapters on the literary elements

that help students understand, read, and write about literature. In-depth chapters connect students with authors such as Emily Dickinson, Robert Frost, Billy Collins, and Julia Alvarez through multiple works by the authors, then reflections on these works and excerpts from their drafts, along with commentaries by other writers and scholars. Additional case studies bring literature to life through vivid cultural images and documents, critical perspectives, and themes that students will respond to, like love, humor, work, and war.

Unsurpassed reading and writing help includes 7 sample close readings that model the kind of critical reading that is the foundation of academic writing about literature. Seven chapters discuss every step of the writing process and a generous selection of MLA-style student papers 30 in all, including a paper-in-progress, model techniques for analyzing and arguing about literature. More than 2, assignments offer more occasions for writing than any other comparable anthology. New to This Edition. Digital Options. Table of Contents. When she finally travels North in January to consider a new life with Harry Bellamy, tensions arise between the cultures and lifestyles of the North and the South.

As you read the wide variety of stories, poems, and plays in this book, confront and engage with the big questions and themes these works explore—on your own, in class, and in your coursework.

Examine the literary elements at work. Read online or offline with all the highlighting and notetaking tools you need to be successful in this course. Henry T. Mary Barnard. Coursen Jr. Michael Meyer has taught writing and literature courses for more than thirty years—since at the University of Connecticut and before that at the University of North Carolina at Charlotte and the College of William and Mary. In addition to being an experienced teacher, Meyer is a highly regarded literary scholar. His scholarly articles have appeared in distinguished journals such as *American Literature*, *Studies in the American Renaissance*, and *Virginia Quarterly Review*. He has lectured on a variety of American literary topics from Cambridge University to Peking University. Prior to that he taught at Gustavus Adolphus College in Minnesota, at the University of Connecticut where he wrote his dissertation under the direction of Michael Meyer, and in a variety of other settings, including prisons.

Miller is the author, editor, or co-editor of a dozen books and over two dozen critical essays in collections and in scholarly journals such as *American Literature*, *African American Review*, and *The James Baldwin Review*. Overview *The Compact Bedford Introduction to Literature* is a best-seller for a reason: it brings literature to life for students — helping to make them lifelong readers and better writers. Classic works from many periods and cultures exist alongside a diverse representation of today's authors.

Support for students includes a dozen chapters of critical reading and writing, with plenty of sample close readings, writing assignments, and student papers. And, because everyone teaches a little differently, there are lots of options for working with the literature, including in-depth chapters on major authors and case studies on individual works and themes that everyone can relate to.
