# Utility Water Contract

## Subscription Contract

I hereby make application to the Second South Cheatham Utility District, to be supplied with water service.

Water service shall be supplied to Consumer in accordance with the District's Rules and Regulations which are incorporated in this contract. The District reserves the rights to change its Rules and Regulations at any time and the changes shall be incorporated in this contract upon their adoption. The District, whenever deemed necessary, shall have the right to temporarily curtail or terminate water service without any liability to Consumer.

Consumer agrees to pay the current charges as billed and agrees that the service herein purchased will be used only for the benefit of the designated residence and for no other property, persons or purposes and that said water service shall not be shifted or changed to any other property. Consumer agrees to pay for the full amount of water registered by the meter at the applicable rate until such time as service is disconnected.

The meter assigned to this Consumer is the property of the District. Tampering with the meter or the valve attached thereto is a violation of the District's Rules and Regulations and this contract. Consumer agrees that in the event any water meters, meter boxes or water mains that are damaged or destroyed by the fault of the Consumer, shall be repaired or replaced at the Consumers' expense. The District shall have free access to said meter at all times and any obstruction shall be removed at the cost of the Consumer. Consumer shall install, operate and maintain at his expense all water distribution facilities on his property, including service lines, fixtures, valves, pressure regulators and other devices.

By signing this contract, Consumer is authorizing the District to initiate service at the specified address. Consumer agrees that the District is not liable for damages to the premises upon the initiation of service caused by open faucets, faulty appliances, inadequate or leaking connections in Consumers; service line or plumbing past the meter or breaks or leaks in Consumers; internal plumbing which may occur upon the initiation of service.

The District has the right to terminate service for non-payment, a violation of its rules and regulations or a violation of their contract. Service shall not be reinstated until all charges are paid in full, including the Districts' reconnection fee, and/or any violations are corrected to the District's satisfaction. Customer agrees that the District shall not be responsible for any damages to Consumer's premises upon the reconnection of service.

In the event the Consumer falls to pay for services rendered or otherwise breaches this contract, the Consumer agrees to pay on demand all expenses, including attorney's fees, to enforce this contract whether by negotiation, litigation or otherwise.
