We are beyond grateful for a great Team effort---**\$4,146** purchased school supplies, school clothes, and shoes for SAISD students. Team A+ continues to grow as family, friends, and community partners join forces and share resources to make student academic success possible. In the face of resource shortages, academic resources were provided to help students embrace a new learning environment amid the health concerns and social distancing imposed by the Coronavirus pandemic. By God's grace, we are championing this new learning environment together!

### **Spiritual Development**

Demesha Cisco, the A+ Academic Resources Board Treasurer, is taking a course on the *Foundations of Prayer*. She is a Prayer Warrior! Through the *power of prayer*, we are enabled to serve children in our community. As a Christian nonprofit organization, we aim to share the love of Jesus by meeting the educational needs of disadvantaged youth. By showing loving-kindness to these precious lambs, we are in alignment with God's Word. In Matthew 25: 35 - 40, Jesus says that we "do it for Him" when we provide drink, food, clothing, shelter, lodging, and ministering care to others. We pray for the *Spiritual* strength of our organization and its members and the children who we are honored and blessed to serve. They are gifts from God!

### **Funding the Mission**

Fundraising is mandatory for nonprofit organizations since they rely heavily on in-kind donations to obtain needed resources to provide mission-essential programs and services to those in need. The A+ Academic Resources Board and Staff gave **\$7,003** and raised **\$150** to fuel the organization's mission, programs, and services. A total of **\$7,153** allowed us to serve a total of **264** students. We will continue to invest our time, talents, and treasures to provide academic resources and educational experiences to achieve students' academic success.

### **Staying Connected**

A+ Academic Resources (Team A+) stands ready to give our best for the wonderful children in our community. During this pandemic, it is comforting and reassuring to see our community coming together in concern and kindness for one another. Team A+ serves disadvantaged children in **5** youth organizations. We will *stay connected* to our community partners and the children we serve via phone, email, and social media networks. We appreciate the opportunity to serve students by meeting their educational and practical needs. Team A+ aims to *share the love of Jesus Christ* by meeting the needs of youth who need us the most. We do this by continuing to offer our mission-linked programs and services to children, especially during crisis. Our brand is Love.
