

## **UNITED WE STAND** **DIVIDED WE FALL**

We would like to address rumors that there are problems in the Northeast, this is just not the case. UWA 322 has been dealing with some die-hard teamster folks who do not have the vision to see where this ship is sailing to. Their bread was buttered by the Teamsters and now the teamsters are no more so they are unhappy. We can not fix that. The fact remains that the Employees in the Northeast are faring significantly better than the rest of the USA because of their representation by the UWA.

Recently Shop Stewards from the Teamsters have been telling employees to vote for NO UNION. **THIS IS JUST CRAZY.** How can a Union Steward, people who are in place to help the employees be telling folks to vote for NO UNION?

These actions show you need CHANGE. Change for the better.  
Change to UWA!

This movement is about you the drivers of Chicago uniting in your Yard. It is also about Chicago Drivers Uniting with Mega Drivers across the country. This can and will be done by UWA. Together we will have the vision to improve the lives of all Mega Drivers.
