Appeal for Support and Membership Dues Payment

Dear Neighbor and Civic Association Member:

As we began another Civic year, the Association need your support now more than ever in these uncertain times. As you are all aware, we had to curtail all in person meetings due to the Coronavirus. At the present time we are not sure when we will be able to again assemble for in person meetings. We are working to try and make available virtual meetings, where you can participate by dialing into a number which will be provided to all up to date, dues paying members. These meetings may be audio only or audio visual depending on each member's level of comfort and technical support. Please rest assured that even while we are not meeting in person, members of the leadership will still be engaged with community leadership, as well as County leadership.

Here is how you can help the Association continue its mission of community support and outreach.

- **Please pay your current dues as soon as possible.** When talking with your neighbors, please encourage them to join the Association, and reach out to other community residents who may not belong to the association. You can pay online using the **Membership Application Form** on the Membership page of our website or you can mail it to **HMCA, P.O. Box 799, Temple Hills, MD 20757.**
- Your prompt payment of dues is critical as we did not have a community day program which helps to defray the cost of mailings, and the association office at Iverson Mall.

We are praying for the safety of you and your family, and our neighbors in our neighborhood. We look forward to reconnecting with you soon.

May God Bless each of you,
George Hanna,
Vice President
