Exodus 15:23-25

New International Reader's Version

“When they came to Marah, they couldn't drink its water. It was bitter. That's why the place is named Marah. The people told Moses they weren't happy with him. They said, "What are we supposed to drink?" Then Moses cried out to the Lord. The Lord showed him a stick. Moses threw it into the water. The water became sweet. ”
