\*\*\*\*\*

**BELLS & WHISTLES** to making the best of our afternoon, despite the weather, and having a great time at fun stations in place of our traditional Field Day last Friday.  
\*\*\*\*\*

**Preschool:** Well here we are! Our last couple of days! We have had so much fun this year in preschool. I can't believe how fast the year came to an end! We have learned so many fun things. This group is by far my best rhymers! They are always trying to rhyme words! That will help them become great readers and writers. Thank you all for a great year and for sharing your child with me. I am going to miss them this summer! For my 12 moving on to Kindergarten, I know you will do well! You are all stars. Have the BEST SUMMER! - Miss Stacie  
\*\*\*\*\*

**Kind:** I can't believe the 2021-2022 school year is wrapping up this week. I know each set of students brings new adventures, but these four students will always hold a huge spot in my heart. Your children are the students that made me a teacher, and I will cherish this school year forever. We have laughed, loved, and learned so much! I hope you all have a wonderful summer! For the next few days, we will be focusing on reviewing and reading. - Mrs. Stewart  
\*\*\*\*\*

**1st/2nd:** Can you believe this is the last week of the school year? This week we will be doing some fun review activities and wrapping up our year. Teaching this group of kids has been a great time, and I love them all. Please remember to continue practicing math facts throughout the summer as well as continuing your reading. I plan to send home a practice packet for the summer so the kids can continue to practice what we've been working on in class. I hope everyone has a great summer! - Mrs. Hird  
\*\*\*\*\*

**3rd/4th:** Our last few days together is finally here. I hope everyone had a wonderful time on our field trip yesterday! What a great place to go and visit! As we round up the end of this year, our class will still be working on math facts this week. I have some fun activities planned as well. My wish for each student at the end of this year is that they all enjoy their time off this summer and be ready to come back excited and ready to learn next year! It's been a joy to have each and every one of them in my class this year! Have a great summer! - Mrs. Cooper  
\*\*\*\*\*

**5th/6th:** 5<sup>th</sup> and 6<sup>th</sup> graders will be doing some fun activities to finish up the school year. Our class will be completing some simple Science experiments tomorrow, so if you are able to donate a couple items for this it would be appreciated! 5<sup>th</sup> and 6<sup>th</sup> graders have met the requirements for my "100 Book Challenge" that I gave them at the beginning of the school year. The final total was 101 books and I am super proud of my students for their efforts! Today we are celebrating with games, donuts, a movie, and popcorn. I am giving students a list from Scholastic for a "Summer Reading Challenge". Please try to visit your local library and keep reading this summer. See you next year! - Mrs. Foster  
\*\*\*\*\*

**7th/8th:** This week we will be wrapping up loose ends and saying our good-byes. I want to express my gratitude and appreciation for the privilege of working with your students. I hope everybody has a safe and happy summer. To my 7th graders, I look forward to working with you next year and seeing what kind of leaders you can be. To my 8th graders, again, I enjoyed working with you. I wish you every success and happiness. - Mr. Ewing

\*\*\*\*\*  
**7<sup>th</sup>/8<sup>th</sup> grade Science Board Winners: 1<sup>st</sup>: Chelby Fischer, 2<sup>nd</sup>: Baylor Brownsberger & 3<sup>rd</sup>: Kaylee Mott**  
\*\*\*\*\*

**APRIL ACADEMIC STARS: K: Mason Snyder, 1/2: Jack Snyder, 3/4: Arianna Hilgenberg,  
5/6: Beau Brownsberger & 7/8: Olivia Engeman**  
\*\*\*\*\*

**WEST CENTRAL MO SPELLING BEE:** Congratulations to Arianna Hilgenberg and Baylor Brownsberger! Arianna won first place in the fourth grade room and first place overall in the first – fourth grade spell-off. Baylor won first place in the seventh grade room and first place overall in the fifth – eighth grade spell-off. Beau Brownsberger received first place in the sixth grade and Olivia Engeman was second place in the eighth grade. **So, Hudson won the Bee!** Other students attending were: Chase Frost, Macy Merryfield, Brayden Smith, Reid Davis, Braelynn Munsterman, Grace Engeman, Collin Campbell and Kaylee Mott.  
\*\*\*\*\*

**MAY CHARACTER ED: SELF DISCIPLINE** - the ability to control one's feelings and overcome one's weaknesses; the ability to pursue what one thinks is right despite temptations to abandon it.  
\*\*\*\*\*

**APPLETON CITY SUMMER SCHOOL:** The Appleton City School District asked us to pass along this information. They will be having summer school May 24<sup>th</sup> – June 28<sup>th</sup>. There is a \$100 incentive for students with perfect attendance. Please call (660) 476-2108 for more information.  
\*\*\*\*\*

**THANK YOU** to former student, Mya Glass. She participated in a Reduce, Reuse, Recycle project and collected 250 books to donate to our Hudson Library and classrooms. We appreciate her efforts and for thinking about us!  
\*\*\*\*\*

Please send in your **FOOD FAIR RECEIPTS**. They are due by the last day of school.  
\*\*\*\*\*

**REQUIRED IMMUNIZATIONS:** If you have a student who will be entering the 8th grade, Missouri schools require a Tdap (tetanus) booster and Meningitis vaccine. Please make sure students have fulfilled this requirement before school begins in August. Thank you! – **Nurse Amber**  
\*\*\*\*\*

**APPLETON CITY MUSEUM SUMMER HOURS:** Friday: 1:30 p.m. – 4:30 p.m. & the first Saturday of the month. Please call 660-476-5857 or email [acmolampkin@yahoo.com](mailto:acmolampkin@yahoo.com) for more information.  
\*\*\*\*\*

**THE BRIGHT SPOT:** However difficult life may seem, there is always something you can do and succeed at.

## May 2022

## Daily Learning Planner: Ideas Families Can Use to Help Children Prepare for School—Try a New Idea Every Day!

- 1. Help your child create a mini store with products and play money.
- 2. Use construction paper strips to make a chain. Remove one link every night to count down to a special day.
- 3. Have your child draw a picture of the weather during the morning and another one during the afternoon.
- 4. Go outside and let your child play with a rubber ball. Encourage him to bounce it and try to catch it.
- 5. Talk about the parts of a plant. Point out leaves, stem and roots.
- 6. Take a walk with your child to look at the traffic signs. What are their colors? Shapes?
- 7. Tap out a simple rhythm with a spoon. See if your child can copy it.
- 8. Read a book to your child before each meal and before bed.
- 9. Write instructions, such as *hop*, *crawl* or *skip*, on separate pieces of paper. Let your child draw them out of a hat and follow them.
- 10. Cut eye holes in a paper plate to create a mask. Have your child decorate it.
- 11. Ask your child how the sun helps us. (Makes plants grow, keeps us warm.) Can it harm us? (Sunburn.)
- 12. Give your child the opportunity to make choices. Ask, "Will you wear the green shirt or the white shirt today?"
- 13. Plan a screen-free evening. Read, sing or play as a family.
- 14. Discuss families. Who is in your family? What do families do?
- 15. It's Physical Fitness and Sports Month. Enjoy a new physical activity you can do together as a family.
- 16. Ask your child to name things that are seen in the sky.
- 17. Look through a magazine or catalog with your child for categories of things. Look for red things, then find things that are green.
- 18. Have your child fill a dishpan with water. Test an assortment of objects. Which will float? Which will sink?
- 19. Help your child make a card for a friend or relative.
- 20. Put some small items, such as dried beans, in a jar. Ask your child to guess the number of items. Count them together.
- 21. Have your child describe a happy family memory.
- 22. Take your child to a park or playground. Encourage her to swing, climb and use the slide.
- 23. Have your child make a tower out of blocks. Ask him to add "just one," then "just two" and so on.
- 24. Listen to a new kind of music with your child. Talk about how it makes each of you feel.
- 25. Take your child on a trip to observe a nearby construction site. Stay at a safe distance. Plan to visit later and monitor the progress.
- 26. Cut open a fruit that has seeds inside, such as an orange. Explain that fruit grows from seeds. Share the fruit with your child.
- 27. Help your child draw a face on a piece of cardboard and glue it to a popsicle stick to make a puppet. Use it to act out a story you've read.
- 28. Explain that your child learns when she tries new things.
- 29. Eat a frozen treat with your child today.
- 30. Ask your child: "What if people walked on their hands?"
- 31. Encourage your child to try two motor skills at the same time. For example, clapping while walking.
