

Stand Up is a national program that guides members in advocacy activities to improve the quality of life in their communities. Members develop their voice to make a positive impact.

The FCCLA **Stand Up** national peer education program guides members to develop, plan, carry out, and evaluate advocacy activities to improve the quality of life in their communities. Members develop their voice to make a positive impact. Through their projects, members experience character development and improve their critical and creative thinking, interpersonal communication, leadership, practical knowledge, and career preparation.

Members learn more about how to:

- **Assess** current needs,
- **Educate** others regarding concerns,
- **Advocate** so that they can make a difference now and in the future.
