RE: 2021 NHTCA Annual Audit

Dear Theresa:

The members of the Finance Committee met on September 16, 2021 to examine the Association's financial records for fiscal year 2021. We have found all entries made by the Association's Treasurer to be in exceptional order. All records were found to be organized and accurate. Joyce McGee continues to perform an excellent job as our Treasurer.

Due to the efforts of the Executive Board, the Association's accounts currently maintain an excellent financial status. With meetings limited due to the pandemic, there was minimal financial activity during fiscal year 2021.

The Finance Committee would like to recognize the Executive Board for their continuing efforts to meet the needs of the Association while offering exceptional financial management. We are very fortunate to have such dedicated individuals representing our Association.

Respectfully Submitted,
