

The Gospel of Matthew:

The Humble and the Exalted:

1. What reasons do people/we have for not wanting to accept the truth?
2. Why do we sometimes “tell the truth” but with details missing from that truth?
3. Where in our lives or our church do we tend toward legalism? Where we put the law before relationship?
4. Are there areas in our life where we are saying, “Look at me!”
5. Pride is such a dangerous action because of how it puts us in opposition to God. Discuss the effects of pride in a person’s (or your) life upon our relationship to God and those around us.
