

# Instructional Video Design

**Instructional Video Design**, an *individual or team event*, recognizes participants who demonstrate their knowledge, skills, and abilities to research, plan, and create an instructional video to deliver content as part of a lesson or unit of instruction.

**Preliminary Round:** Participants must prepare an instructional video and project components.

**National Leadership Conference:** Fifteen (15) entries will be invited to present their instructional video, project components, and an **oral presentation**, at the National Leadership Conference. Only entries with scores of 70 or above will be eligible for National Leadership Conference consideration.

## EVENT LEVELS

**Level 1:** through grade 8

**Level 2:** grades 9-10

**Level 3:** grades 11–12

**Level 4:** Postsecondary

See page 10 for more information on event levels.

## ELIGIBILITY & GENERAL INFORMATION

1. Review “Eligibility and General Rules for All Levels of Competition” on page 11 prior to event planning and preparation.
2. Chapters with multiple entries in this event must submit different projects for each entry. All projects must be developed and completed during a one-year span beginning July 1 and ending June 30 of the school year before the National Leadership Conference, and must be the work of the participant(s) only.
3. National Leadership Conference participants will view the online orientation video found on the official FCCLA YouTube channel, available in early June. Each entry must complete and submit the required form to the event room consultant at the time of competition. Only one form per entry is required.
4. The use of inappropriate music, graphics, or text will automatically disqualify the entry. Inappropriate materials are those that are obscene, profane, or explicit.
5. The use of copyrighted music, photographs, or graphics in the digital video may disqualify the entry. Music, photographs, text, trademarks, or names that are used in the project must be properly cited and documented. Only original items or items licensed for reuse are allowed. Most popular/commercial music is copyrighted and its use strictly limited. Participants are encouraged to use music with the appropriate license for reuse and publication on the Internet. Copyright laws must be followed.
6. Participants must follow state or district rules/guidelines for student privacy and use of photographs or student work when published online.
