

STUDIO *L* DANCE

SHINE ON!!!

2022 Spring Recital

Thank you for your continued support of Studio L Dance!

Miss Jen

This year's theme is Shine On. The vision for this theme this year is to highlight that we can be the light for someone else through trying times as their shining star. We have encountered great obstacles over the last few years, and we want to live up to our theme while dancing!! We hope that we can be the light for you and bring joy on those cloudy days!! Matthew 5:16 Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven.

Thank you to all the amazing Dance Families for your continuous support and commitment, making this year amazing!!

This is a wonderful performance featuring a mix of routines from students participating in classes, private lessons, and competition teams. All dancers and teachers have worked very hard and are eager to show you what they have accomplished this year.

Studio L Dance didn't have the normal opportunities again this last year to perform as we have in the past, but we are hoping to be back out in the public next year!! We are happy to present you with our big show – the Annual Spring Dance Recital!
