

April 2023 Newsletter

Dear School Age Families:

April showers bring May flowers!

Summer Camps

Registration for summer camps will be available to you April 4th. Please note that registration this year will be monthly (a change from weekly in previous years), so you are booking for either July or August or both. We will be closed for a week in the summer as well at the end of August. (August 28-Sept 1) We are only offering 15 spots, so it will be first pay first serve. When returning registration paperwork, please include the \$100 registration fee and a post dated cheque (or cash) for the months you are signing up for. Let me know if you have any questions.

Tick Season

Please be aware that it is tick season in Kamloops. We do often go to the park and on walks in the area trails. Please check your child for these critters at home.

You can also reserve ahead for the ProD day on May 19th. Cost is \$20/day if it is your regularly scheduled day, or \$40/day if it is not. Spaces are first come (pay) first serve. Please reserve with your fee ASAP.
