

THE SCHOOL OF THE JOSHUA MINISTRIES

December 2021 Newsletter

“ALL NATIONS”

A God dream is always bigger than our dream. For example, God says to Abraham in Genesis 12, “go to a place that I will show you”. In those days, there were no cars, GPS, or maps for anyone to help assist them in their travel. For Abraham, to “go” meant go by faith.

God has been speaking to us to “go”. With a charge like that it can be difficult, when we only see in part and know in part. The part that God shows us, is always bigger than our current stature, status, or things we have accomplished. It’s exactly what God did to Abraham. He took a man, his wife, and those who went with him on an assignment that seemed as if all odds were against them, but God knew it was time for change on the Earth and He was going to do it in the family He hand-picked to do it through.

The Lord is taking The School of The Joshua Ministries through a transformation in order to become a family that will bless all nations. Abraham didn’t know that his life was going to go through a process of transformation to become the first individual that God was going to use as a sign to touch all nations. This process had to happen in order for him to become the manifest blessing that God wanted him to be to all nations.

His wife and those who came along with him underwent a transformation as well. The transformation process happens individually and collectively so that we, in turn, can become what God desires us to be for all nations. Transformation should be our goal, but is only the product after we surrender, yield and submit to begin to birth forth fruit from within us. The metamorphosis is part of God fulfilling His promise in us and then through us for the nations.

We are undergoing a transformation that leads to a change of how we do ministry for the kingdom. We all may be experiencing some sort of change internally and externally which is indicative of God birthing something within us that will be of benefit for us corporately that will last for many generations. Some may be experiencing some form of delay, while others are resisting the detour of the enemy, and/or some may be experiencing the destructive strategy of the enemy. I want to remind you that the things we endure are light afflictions compared to the glory that shall be revealed (2 Corinthians 4:17-18).

I had this amazing dream that points to what I believe God is doing regardless of what the enemy tries to do.

Dream Encounter

I was in this classroom setting. It was as if the roof blew off and we were thrown into the air really high and fell down to the ground. I shouted out a cry. When we fell, it was onto a platform on the ground. The people who were there seemed to be people in the ministry. We landed in front of a lot of people. Those individuals were amazed of what we were delivered out of. I got off the platform and began to preach / evangelize. It was like open air preaching / evangelizing. I then walked down a path and I saw a Prophet (name concealed) friend I know. He said that God had placed us in his spirit and he went into prayer about us. It was in that moment that I knew his prayers was part of the deliverance that took place.

I then awoke.

First, what we do for Christ will not only last a lifetime but will be a standing testimony that others will not doubt the reality of God being with us.

Secondly, prayers are important at these times. Keeping each other covered as the Lord pushes us out for those to see what the Lord has done for us in 2021. Lastly, It will be by the word of our testimonies that will cause us to overcome the wiles of the devil and in turn launch us into our God giving assignment.

Let Us Prepare:

As it says in Joshua 3:5, “And Joshua said unto the people, Sanctify yourselves: for tomorrow the LORD will do wonders among you.”

Our Fasting Days:

We will be fasting once a week in the month of December. It will be every Wednesday for the month. We start December 1 and the times will be from 6am-12pm. This is a water only

fast between these times to demonstrate true dedication unto the Lord.

Addition to Fasting and Praying Do the Following for Your Success.

- -Read: Read and study your Bible on scripture verses that are in the newsletter.
- -Prayer, Praise and Worship- Separate some time to pray. It is not the fast that makes things move but rather your prayer while being on a fasted that moves heaven. Praise keeps your mind set on Him and worship bring your emotions under subjection to the peace, joy and gladness of God that will rule your heart and mind to assist you in serving with freedom in your spirit. Amen!

Let the God of grace be with you and grant you favor with man as we go the extra mile with serving His kingdom purpose.

Shalom,
