

MECRAFT SHOEHORN

- The Homecraft Plastic Shoehorn is inexpensive and the long handle provides excellent reach. It also has a hanging loop attached to the handle for convenience.
- The Homecraft Chromed Shoe Horn is a luxury, chromed metal, long-stemmed shoe horn. The shoe horn blade is mounted on a spring to allow it to bend in relation to the handle when levering on shoes. The comfy plastic handle is easier to grip. Use the loop to hang the shoehorn in a closet when not in use. Use this durable metal shoe horn to protect your shoes from unnecessary wear. It helps prevent your shoe backs from being crushed.
