

WRITING

For use with “Clayton’s Birding Adventures”

- 1) What is your opinion of the book? Give specific story examples to support your opinion.
- 2) In this story, Clayton plans to do research on parrots. Reviewing the pictures and information in the book, which bird would you like to learn more about? Why?
- 3) Using real or imaginary characters, develop a new story in which the main character encounters a problem with birds.
- 4) Using the glossary of this book, explain in your own words the difference between molting and preening.
- 5) Using print or digital sources, research about the birds in any state of your choice, taking notes. Summarize the information for an oral or written report. Provide list of your sources.
