

PLAN YOUR VISIT TODAY! We welcome the opportunity to have all 8th, 9th, and 10th graders tour our technical center!

Why should students take career and technical courses?

Career and technical courses provide students necessary technical skills, academic skills and employability skills that are necessary to succeed in life. In addition, college-bound students will have the opportunity to obtain job experiences to help them define their career plans, identify an appropriate course of study and help pay for tuition.

Why should students take courses at Amelia-Nottoway Technical Center?

- 1) ANTC is in close proximity to ACHS and NHS!
- 2) Students will be working in their chosen field!
- 3) Students have the opportunity to work with innovative equipment!
- 4) Students will leave ANTC prepared for employment or postsecondary education!

Auto Body...Mr. Spradlin giving a brief demonstration on the art of painting in our new paint booth. A paint booth provides the necessary clean environment for the refinishing technician to paint a vehicle.

Certified Nurse Aide...Blood Pressure. Taking vital signs is an important skill to master for a CNA.

Cosmetology...Students continue to have the opportunity to use their imagination to create various hair styles.

Culinary Arts...Baked Ziti

Our culinary arts students are proud of their edible creations! They continue to increase their ability to prepare delicious, fresh meals from scratch and increase their knowledge of food and nutrition.

Medical Assistant...EKG...An EKG is used to identify cardiovascular conditions; testing for heart and blood vessel disorders.
