

Patrol Newspapers

Your patrol needs to create it's own tabloid newspaper to include:

- **A scandal**
- **An article about a recent Troop event**
- **A cartoon**
- **A mention of members of your patrol**
- **A show business story**
- **A sport story**
- **A health scare**
- **Other interesting stories of your choice**

The paper should be compiled from a mixture of your own written articles and clippings cut out from other papers/magazines.

All headlines must be made from cuttings, not hand written.
