Summary:

Police brutality in the United States has become a major issue and talking point; violence and destruction of public and private property, as well as violence against others has also taken place. While the Parliament of the Commonwealth of Dracul accepts peaceful protests on such issues, we do not condone any destruction or violence against others or property. Citizens of Dracul are representatives of Dracul and are to conduct themselves in an appropriate manner.

Proposal:

Any Dracul Citizen who is found to be participating in such violence and destruction of foreign property, does not properly represent our community and will be expelled from the community immediately, including citizenship revocation by the Department of Naturalization.
