The ensembles under his leadership have all earned Superior ratings at every event for the past twenty-four years. The Wind Ensemble performed at the Midwest Clinic in 1999 & 2012, and has been an Oklahoma Music Educators' Association Honor Group seven times. The band program has been awarded the Sudler Flag of Honor and Sudler Shield by the Sousa Foundation. The marching band has performed in the Pasadena Tournament of Roses Parade under his leadership. Also, they have been finalists at BOA Regionals in St. Louis, Arlington, San Antonio, Las Vegas, Atlanta, and Grand Nationals Championships.

Mr. Gorham, a graduate of Hope High School in 1978, was born in Hope, Arkansas. He received his Bachelor's Degree in Music Education in 1982 and his Master of Music Education in 1993, both from the University of Arkansas.

Mr. Gorham, a member of Phi Beta Mu and the American Bandmasters Association, was selected as the Oklahoma Bandmasters Association Director of the Year for 1997. In addition, he was the 1988 Arkansas ASBDA-Stanbury Award winner and the 1992 South Central Region ASBDA-Stanbury Award winner. In 2006, Mr. Gorham was the National Federation of High Schools Section 6 recipient of the Outstanding Music Educator Award. Clinics

8:30-10:00 am-"Improving Intonation and Expressive Phrasing in the School Band: The Power of Unison"

Description: Two of the most difficult skills for instrumental students to master are playing in tune and playing expressively. Unison work promotes success in these critical areas. It opens students' ears to the sound of in-tune octaves and is an efficient way to teach everyone how to phrase even non-melody parts expressively.

10:30 am—12:00pm "The Students' Daily Classroom Experience: Our Profession's Most Potent Retention Tool."

Description: Students who leave our rehearsals every day thinking "That was great - I love this class," will be back next semester, next year, every year. The aesthetically-driven, well planned, and well managed daily class is our profession's most potent retention tool.
