In the past, you have been helpful in identifying and contacting senior students who show aptitude in the area of visual arts (paintings, drawings, sculpture, ceramics/clay, graphic arts, etc.). Hondo Art League is offering two \$1,000.00 scholarships in 2022, and we need your help in identifying the talented art students of Medina County. This years 2022 scholarships are funded by Hondo Art League's members.

Because you know your seniors and their talents so well, would you give the scholarship information to students who qualify for the Medina County Art Scholarship? Included in this attachment is the student application packet. **Please give this packet information to deserving students.**

- Students who wish to apply preferably, but not necessarily, have taken art in high school OR if no art class is available, show promise in some area of the visual arts.
- She/he must also have an overall g.p.a. of 2.5 or higher.
- Two letters of recommendation must be included in the student's application packet. He/She must be recommended by (1) his/her counselor and (2) one other teacher. The letters of recommendation should address, among other areas, the student's artistic talents. These letters of recommendation will assure us of the student's talent and character.
- The second half of the student application is a student video presentation. The video guidelines and criteria will be sent to student via email, after receiving initial application.  
*Your help may be needed in the video portion of the application process.*

The application packet should be postmarked no later than Wednesday, March 9, 2022. The video must be completed for viewing by Wednesday, March 30, 2022. We are adhering strictly to this deadlines. Scholarship recipients will be notified by Wednesday, April 20, 2022.

Thank you, counselors and art teachers, for your help with this request...and for ALL you do for our students and the community!
