Used hardcover First. Influenced by Andy Warhol and by Russian artist Alexandre Rodtchenko , he parodied American propaganda in his early years. An activist for peace and defender of the environment, he has created works in numerous symbolic places, including the Eiffel Tower during the Cop21 Shepard Fairey became well-known with his Hope poster in support of Barack Obama for the US presidential election campaign. This poster, which earned him immense popularity, quickly propelled him among the most popular artists on the market. Each will highlight one or two artists from the Urban Art movement [...]. Now that BANKSY has become a social and art market phenomenon, a lot of art buyers have become convinced that Street Art is a new manna, and certain auction houses have positioned themselves to exploit this conviction. The latter — which has specialised in this field since — is organising a sale dedicated to Urban Art on 5 February For full functionality of this site it is necessary to enable JavaScript.
