2021 NCAP Invitational

Virtual Scratch Table

The Virtual Scratch Table enables all interested parties (e.g., coaches and swimmers) to view preliminary results and scratches from any location. It also provides documentation and confirmation of scratches via email, eliminating confusion about who scratched a swimmer or which swimmer is being scratched.

If you see that your swimmer has scratched into a Finals event, please let us know if they will be coming back or not by email to ncap.scratch@gmail.com.

Positive Check-In Events

All 400 yd and longer individual and relay events are positive check in events. Check in is done by completing the Online Positive Check In form.

Scratching From Final Events

To scratch or declare an intent to scratch from a Finals event, email ncap.scratch@gmail.com within 30 minutes after the announcement of qualifiers for the event. **You will receive an automated reply that your email has been received and a reply when your scratch has been processed.** If you do not receive a reply, please confirm your scratch with the Administrative Referee.

Subject of email: FINALS SCRATCH: <event>, <swimmer name>
For example: FINALS SCRATCH: Event 21, Girls 15-18 200 Backstroke, Jane Smith.

Body of email should include swimmer's first and last name, club, coach's name, and event being scratched.

It is recommended that the swimmer's coach is included on the email.
