A Message from Miss Laura

I can hardly believe we've made it through the season and onto the stage. The past two years have been a struggle for the entire dance industry, including VSB.

Thank you to all the families who pushed through the cancellations, zoom classes, dancing in squares, more cancellations and restrictions. Without your support our dancers would not be on the stage today.

Thank you to the teachers, Miss Madi, Miss Acadia and Miss Lisa for being adaptable and flexible as the world changed around us over and over again, and thank you for giving our dancers a reason to smile.

Thank you to the VSB Parent Association, without your help and support this performance would not be possible. Thank you to Lynda Olsen of Olsen Photography for the beautiful photos this season.

Thank you to my husband, Nathan and kids, Liam and Ella for your help and support.

Finally, thank you to the dancers for your love of dance and your resilience. You are the reason we do this work. We are so proud of your hard work and dedication.

Enjoy the performance!

Our sincerest appreciation is extended to the following supporters of VSB:
