

Monthly Fees (Pay by hours system) – September 2021

All fees will be sent out on the 1st of the month, 12 months per year. Fees must still be paid even on the months when it is school holidays, as these fees have already been taken out. Classes will still run on bank holiday Sundays, due to the dancers missing a few Sundays a year already due to competitions.

A £5 late fee will be charged if we have not received fees within 7 days.

Another £5 late fee will be added on the following week if fees have still not been paid.

We will not allow fees to go past being 2 weeks late, therefore, the dancer will not be permitted to take part in class at this point, until fees are paid.

If you wish to stop fees at any point, or change classes, 30 days notice must be given to change fees.

For further details please see our terms and conditions which are available to view under 'Important Information' on our website.
