

## Appointment Pre-Booking Interview

Patient: \_\_\_\_\_ Date \_\_\_\_\_

Team member \_\_\_\_\_ Dr. \_\_\_\_\_ Appointment date: \_\_\_\_\_

Value:

1. Do you have any questions regarding treatment the Doctor diagnosed and reviewed with you today?
2. Do you have any concerns regarding this treatment?

Time:

1. Is there any time limitation from you proceeding with this treatment?
2. Does your work schedule allow for appointments at our office?
3. Is this the right time for you to proceed? Usually Doctor wants to see his/her patients within 2 weeks of diagnosis. Does that work with your schedule?

Fear:

1. We will make every effort to make your appointment comfortable. Is there any concerns that we can address or be prepared for your appointment?

Financial:

1. Your treatment will cost \$\_\_\_\_\_ to get started. Does that work in your budget? How will you be paying for this on the day of the appointment?
2. We require  $\frac{1}{2}$  of the cost to get started to book the appointment, the other half will be collected at the appointment.
