WHAT IS A RECOVERY COACH?

A Recovery Coach promotes recovery and removes barriers and obstacles to recovery, serving as a personal guide and mentor for people seeking or already in recovery from an addiction to alcohol and or other drugs.

While we believe in the title Recovery Coach, there are many other titles that are used for this sought-after position. What distinguishes a coach from other peer positions is that we stay in the lane of providing support for people in recovery from an addition to alcohol and or other drugs.

THE CCAR RECOVERY COACH ACADEMY©
