Dear Ms. Meisel:

On behalf of the National Human Genome Research Institute (NHGRI), National Institutes of Health, and by the authority delegated to me through section 497 of the Public Health Service Act, as amended (42 U.S.C 289f), I am pleased to accept the donation of \$110,000.00 from the Angels for Alyssa dba MMA Research Fund to the NHGRI Conditional Gift Fund Account.

In accordance with your wishes, these funds will be used by the NHGRI to support Dr. Charles Venditti's research on Methylmalonic Acidemia. In the event that funds remain in the account after completion of the project, the unexpended balance will be returned to Angels for Alyssa.

Support from organizations such as yours makes it possible for the National Institutes of Health to work toward understanding, preventing, and eradicating disease.

We deeply appreciate your help.

Sincerely yours,
