

Career Search is an *individual* or *team event* conducted virtually prior to the NJ FCCLA Fall Leadership Connection that recognizes participants who explore the career pathways and research two possible careers. Through this research, students will determine what their future goals may be and how to achieve a potential future career. Participants must prepare a *digital file*, which includes career research and an interview, create a *career map for the two chosen careers*, and record a *3-minute video* describing their research and findings while exploring possible careers in the chosen pathway to reach their future goals.

Career Maps	Career choices are built on a foundation of knowledge and experience required for excellence in each core profession. Career Maps are a visual, codified approach to career management. It is a masterful roadmap to excellence in a confused and radically changing workforce. Career Mapping begins with cataloguing the core professions of an organization. The most effective career mapping designs are based upon professions rather than centered on jobs and compensation schemes. Career Maps should identify key knowledge areas and the skills and abilities to master each of the core professions. The career map must be thorough, concise, creative and colorful. Each career map should not exceed one (1) image/page per map.
-------------	---

Interview	Interview someone in one of the chosen fields and include 6-10 questions. Questions should be focused on requirements to enter the field, expectations, future projections in the field, and types of jobs within this field. Interview should be typed and include the questions that were asked. This should not exceed one (1) page.
Project Outline	Outline the project in no more than four (4) document pages. Use the format provided. The information must be neat and legible.
Video	Create a three (3) minute video discussing your research into the chosen pathway, professional fields and your findings.
Link to YouTube Video	When the video is published on YouTube, it must be titled and the description box must include name of participant(s), school, chapter name, event name (Career Search), and event category. Privacy settings must be set to "Unlisted."

Video

The video **may be up to three (3) minutes** in length and is recorded prior to the Fall Leadership Connection. The video should express your research and findings about the chosen pathway and careers. The video should be a unique presentation that is lively and interesting and must use visuals/props. The video must be submitted in the assigned folder and viewable to the New Jersey FCCLA State Office by **November 9, 2022**.
