

Howard Lake Good Neighbor Days Grande Day Parade 2019

Be sure to stick around after the parade...many attractions for the entire family being highlighted in Downtown Howard Lake!

The Howard Lake Good Neighbor Days committee cordially invites you to participate in our annual hometown parade to be held on Sunday, June 23, 2019 at 2:00 PM.

This is an **excellent opportunity** to spotlight your business, service, or organization and gain additional exposure to neighboring communities. We look forward to your participation and request that you get your entry form in as soon as possible to beat the deadline as well as avoiding any applicable late fees.

Parade Practices, Procedures & Requirements

- Entry fee is **\$20.00 per unit entry** if registration is postmarked/received by **June 14th, 2019**. If entry form & payment is postmarked after June 14th, the registration fee will increase to \$25.00 per unit entry. This Entry Registration Form (shown at the bottom) **IS MANDATORY & REQUIRED** in order to participate in parade.
- As always, there will be **no charge** for Non-Profit Groups, Visiting Royalty, or Fire & Police Departments (Political Party entries excluded).
- Animal units will need to provide a clean-up crew for their unit.
- There will be **NO** squirting of water or water balloons allowed. **Candy is allowed but extra precaution is needed. Please watch for children making sure candy is tossed away from the parade unit & all traffic. Just an FYI, if tossing out candy, please allow for an ample supply so you don't run out before the end of the parade route; children have been disappointed in the past.**
- Parade Lineup will begin at 1:00 PM** at the Wright County Fairgrounds, near 101 1st Street, Cty Rd 6 North, just north of Hwy 12 and across from Memorial Park and Codger's Cove.
- * NOTE *** - Unit numbers WILL be Emailed & Mailed out the week of the parade. Please bring that mailed "unit number with you" upon arrival at the gate/entrance and please know the UNIT NAME "REGISTERED" on the form send in.
- REMINDER** - Due to having to cross Highway 12 twice along the parade route, we ask that you **PLEASE POSITION YOUR UNIT 4-5 CAR LENGTHS BACK FROM THE UNIT IN "FRONT" OF YOU ONCE YOU'VE CROSSED HWY 12**. Units need to be spaced out a bit more through the entire parade route so spectators can take note of each unit. There have been complaints about units going by too fast as well as being clumped together. Please try your best to avoid this from happening as we attempt to enforce this for all participating units. When crossing Highway 12 for the 2nd time, near the end of the parade route, PLEASE REMAIN IN THE LINEUP until you've reached the Fairgrounds (there are just as many spectators at the beginning of the parade route as at the end). We'd like for EVERYONE to enjoy the **ENTIRE PARADE** without units skipping out of the lineup early.
- Parade begins at 2 PM, rain or shine, excluding severe weather or lightning.
- Parade Units must carry their own insurance.

We thank you all for your continued participation and support as well as helping us "fine tune" the details of the parade.
