

# Sneaky Universe Newsletter – June 2023

## What's new at Sneaky Universe?

The biggest news at Sneaky Universe is the launch of our very own YouTube channel @sneakypress. This is where we showcase our fabulous books in short book trailers. Just long enough to give you a taste of the fun. We are hard at work, adding a new trailer each week. So far you can see trailers for Different is OK, Did You Hear That?, The Book of Random Facts about Sleep, The Book of Random Facts about Space and The Book of Random Facts about Cars. The Book of Random Facts about Airplanes is currently in the final production stages and will be out soon – watch out for its trailer and our favourite illustrator Hasitha is currently working on the illustrations for two new titles – a new Monicow: Bovine Superhero story and a new picture book about Sustainability. Got an idea for a book? We would love to hear it! We could turn it into a new story.

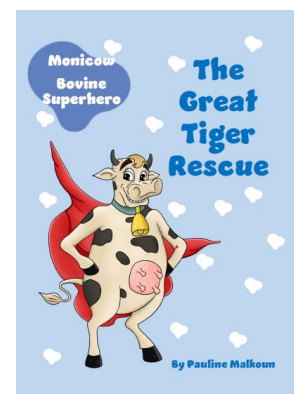

## The Different is OK Krita of the Month

The Krita of the month is the **Music Krita**. Who doesn't like music? No-one!! Singing, dancing or playing an instrument is so much fun. What is your favourite song to sing? What about your favourite dance? Do you play a musical instrument? We would love to hear from you. Share a picture you illustrated or a photo of you singing or dancing via email [info@sneakyuniverse.com](mailto:info@sneakyuniverse.com) or on Facebook @Sneaky Press or Instagram @Sneaky Press.

## Product of the month

The product of the month is book 1 in the Monicow series – The Great Tiger Rescue. Join in the adventure as Monicow rescues a celebrity tiger from a very tall tree.
