

# AACER

SPORTS FLOORING

## AcousticCover™

AcousticCover™ is a fully portable floor cover that provides the ability to transform gym floors into eloquent meeting spaces. Large assembly areas quickly convert into revenue spaces for conferences, meetings and gatherings. In addition to excellent sound deadening qualities, AcousticCover™ also offers great flooring protection.

# ACCESSORY

## AcousticCover™

- Easy and quick to install and remove
- High-quality fiber and backing
- Individual tiles can easily be replaced
- Ideal for transforming gyms into concert venues, tradeshow exhibit areas, dance halls and more
- Use tiles to cover entire gym floors or use individually to create a protective runner or entrance mat
- Excellent acoustic values
- The AcousticCover™ Carts make it easy to transport and store the tiles
