

Join us for the #CIAAGAdvocacyChat

Every 1st Monday of the month at 1pm EST on Zoom

CIAAG invites you to join us for our monthly meeting, the **#CIAAGAdvocacyChat**, which we host on the first Monday of the month from 1:00pm - 2:00pm EST each and every month on zoom.

This meeting is a great opportunity to get acquainted with one another and discuss current events in the media and politics, activities and opportunities at CIAAG. Each month we will review:

- Current Events
- Advocacy Updates
- State Leadership Program
- International Update*
- Question & Answer Session

*CIAAG is an active Member of the VNOGC (Vienna Non-Governmental Organization Committee) at the United Nations. As a result, CIAAG keeps a eye on the global environment pertaining to pain care and international policy. We think it is important for our Members to have access to as much information as possible, to better arm themselves with knowledge so they may effectively advocate for themselves and here with us at CIAAG!

Therefore we developed the "International Update" in which we will periodically provide updates regarding activities at the United Nations, VNOGC, IDCP and other International Agencies..

At the end of each meeting there will be time for open Q&A from all attendees. This is your opportunity to ask us anything you have wanted to know about CIAAG, Advocacy and more. We welcome any and all questions**. CIAAG encourages open communicate and support of one another.

Remember to attend our monthly meeting, the #CIAAGAdvocacyChat, which we host on the first Monday of the month at 1 pm EST each and every month on zoom.
