

International Kingdom University-U.S.A.

CEO/Founder/President
Professor Yvonne B. Bentley, Ph.D.S.
Substitute Special Department
Department Chair: Dr. Rhonda Spencer

The Substitute Specials Department give families, churches, schools, colleges and universities an opportunity to partner with us in meeting the demands of our ESE, ESOL, Gifted and Special need students. This department has been specially designed to assist parents, teachers and administrator in identifying our students with special abilities, gifting, or behaviors. Our Department Chair has put together several Professional Specialist who are degrees, certified by several examination, anointed, prayerful and bible believing Christians. Our families have an opportunity to contact us through email our 1-800-471-9708 or email address at: info@ikuniversity.info or ikuniversity1@gmail.com on our Whatapp or other social media platform. One of our educated professional will be available to service you. Our different specials are as follow: Social Workers, Psychologist, Psychiatrist, Behavior Specials, Mental Health Professionals, ESE Specialist, Police Officers, Firemen and other unique specialist who are educated to write an IEP or serve humanity on a higher academic level.

Serving Student who are diagnosed or discovered by a Professional as follow:

- 1) . ESOL: need assisting being accommodated for language barriers.
- 2) . ESE:Students with disabilities (Specific Learning, Autism, Emotional/Behavior, Hyper/Attention Deficit, and intellectual) including not limited to students with physical disabilities. Students with special disorders, mental or physical challenges.
- 3) . Gifted Students: Student who are academic, athletic or high level thinkers.
- 4) . Mentally Health: Students who are emotional and require psychological and social services.
- 5) . Traumatized students: Students who experience some type of trauma within their family or life experience.

Our International Kingdom University-U.S.A. team of expert Specialist provide counseling, tutoring, pull in and out services during a regular school day and on class for parents who are working or need assistance with their son or daughter. In addition, our services are online or you can book a Specialist just like a substitute teacher for a few hours within a day. We recommend know more than 5 hours per day. Our specialist will assist in the mainstreaming our your son or daughter or students on a regular active daily routine.
