

The below error will appear when the VA entitlement amount has not been entered.

Dataset: Government Trailer

Error: Required segment LEA is missing

Error: Required segment GOA is missing

For VA files, the entitlement amount from the Certificate of Eligibility and our VA Lender ID 7095710000 will always be needed for AUS to run. These fields are found on the Loan Details tab of the URLA under Government Details.

The screenshot shows the 'Loan Pipeline' interface with the 'Loan Details' tab selected. The 'VA' financing type is chosen. The 'VA Entitlement Amount' field is highlighted in yellow and labeled 'Required'. The 'Lender ID' field is also highlighted in yellow. The 'Government Details' section includes fields for 'Agency Case Loan Identifier', 'Assignment Date', and 'Is Energy Efficient'. The 'Loan Features' section includes 'First-time homebuyer' and 'Payment Frequency'. The 'Additional Details' section includes 'Interview Date', 'Application Date', and 'Loan Number'.

The screenshot shows the 'Loan Pipeline' interface with the 'Loan Details' tab selected. A red arrow points from the 'VA Entitlement Amount' field in the 'Loan Details' section to the 'VA Entitlement Amount' field in the 'Government Details' section. The 'VA Entitlement Amount' field is highlighted in yellow and labeled 'Required'. The 'Lender ID' field is also highlighted in yellow. The 'Government Details' section includes fields for 'Agency Case Loan Identifier', 'Assignment Date', and 'Is Energy Efficient'. The 'Loan Features' section includes 'First-time homebuyer' and 'Payment Frequency'. The 'Additional Details' section includes 'Interview Date', 'Application Date', and 'Loan Number'.
