### Beta-Psi Alumni Association News

**It's Football Time in Arkansas!** That means Tailgate Season is near. **ALL 6** Home Games are on Saturdays this year! IF we are to tailgate **EVERY** game, we need some help from "era" groups who want to sponsor (*help facilitate*) a tailgate. Jerry is almost 60, got a gimp leg, a job with less free time during the week...oh yeah AND NOW MARRIED!

After the success of last year's event, we will host an even bigger **Pre-Homecoming Reunion** this year on Friday 9/30 again at Sage Meadows CC. We will provide finger foods and have an open bar. See more from last year's event on the back page!

**Please RSVP** to Frater Paul Mills at [paul.mills2@yahoo.com](mailto:paul.mills2@yahoo.com) or text: **901-351-4671** so we can prepare food estimates. Special Thanks to Fraters Paul Mills, Bob Phillips & John Yates for organizing the event!

**PLEASE** consider becoming an **Annual Dues Paying Member** or a **LIFETIME MEMBER** of Our Association. We have never raised our dues. \$35/Annual or \$500 Lifetime Memberships. Thank you for your continued support! You can mail checks to TKE AA, P. O. Box 16703, Jonesboro, AR 72403 or pay online at [www.BetaPsiTKEAlumni.com](http://www.BetaPsiTKEAlumni.com)

### ***Regional Reunions are a Hit!***

Frater Ben Story leads a group of Central AR older alumni (*aka Antekes*) to meet quarterly in Little Rock for lunch.

**Who will arrange a regional reunion** in NWA, DFW, Houston, FL, KC, CA, StL Nashville, wherever there are Beta-Psi Alumni! Our Alumni Association isn't JUST for Jonesboro or even AR!

### ***Scenes from last year's Pre-Homcoming Reunion!***

Some gatherings are sad times to support fraters. Flounder's service last year.

### **Colony Update...**

This is the BIG question nowadays & rightly so! The guys are busting their butts, doing it right and keeping things on the straight & narrow (*somehow, ha*)! They are being very financially responsible with their local & TKE commitments despite the strain that low numbers brings.

They are set for their best "Formal Rush" ever after their weekend Rush Training Retreat. They are requesting a couple of local alumni to come out for the Open House segments on Aug 28/29th, 4-9pm. If you want to donate direct to their **Rush TKE GoFundMe**, visit our website or Facebook pages for the link. They need to purchase rush shirts, smaller T-K-E letters to use at the Student Union & lots of meals during Open House segments during Rush.

Another way to support the efforts to get chartered is to be an **Alumni Mentor**.

You can stay in touch by email, text, zoom or even phone, ha to give them advice for their leadership roles, etc. Let us know if you would like to and they haven't already contacted you. ALSO, you are welcome to Zoom or Call in on a Sun night weekly meeting for a word of encouragement and guidance.
